The Madera County Transportation Commission (MCTC) is the Lead Agency and has prepared a Draft Program Environmental Impact Report (Draft PEIR) for the project identified above. MCTC is requesting comment regarding the Draft PEIR.

The 2018 RTP/SCS also includes a Sustainable Communities Strategy (SCS) prepared to address requirements set forth in California Senate Bill (SB) 375, which requires that MCTC prepare an SCS that provides an integrated land use and transportation plan for meeting greenhouse gas emission reduction targets set forth by the California Air Resources Board (CARB).

The Draft PEIR and the Draft RTP/SCS are available for review online at the MCTC website: www.maderactc.org and are also available at the following locations:
