OVERVIEW

- The unmet transit needs process is an annual review of transit needs of individuals or groups.
- Public hearings are held on an annual basis to determine unmet needs and receive comments from the public.
- Unmet transit needs comments are also received and analyzed throughout the year.

TRANSPORTATION DEVELOPMENT ACT (TDA) FUNDS

- As the Regional Transportation Planning Agency (RTPA) for Madera County, MCTC is responsible for the administration of the TDA funds.
- TDA funds, which are funded through ¼ percent of the statewide sales tax, are the primary funding source for most transit systems.
- The Unmet Transit Needs assessment is developed to ensure that all unmet transit needs that are “reasonable to meet” are met before funds are expended for non-transit uses, such as streets and roads.

DEFINITION OF AN UNMET NEED

- Requests for transit service must meet the adopted definition of an unmet need.
- The Madera County Transportation Commission has determined that its definition of the term “unmet transit needs” includes all essential trip requests by transit-dependent persons for which there is no other convenient means of transportation.
- Examples of an unmet transit need include:
 - Evening service and weekend service on CATX
 - Extend service to Saturday and Sunday on MAX
 - MAX service on Sunday’s for church goers.

DETERMINING IF AN UNMET NEED IS REASONABLE TO MEET

- A transit need must pass the “reasonable to meet” definition.
- The Commission has determined that its definition of the term “reasonable to meet” shall apply to all related public or specialized transportation services that:
 1. Are feasible;
 2. Have community acceptance;
 3. Serve a significant number of the population;
 4. Are economical; and
 5. Can demonstrate cost effectiveness

by having a ratio of fare revenues to operating costs at least equal to 10 percent.

PUBLIC HEARING PROCESS

- MCTC holds one public hearing annually during its regularly scheduled Board Meeting in April.
- The Social Service Transportation Advisory Council (SSTAC) submits an annual unmet needs finding to the MCTC Board at the May Board Meeting.
- Notice of the hearing, including the date, place, and specific purpose of the hearing is given at least 30 days in advance through publication in a newspaper of general circulation.
- Spanish interpretation is provided at the public hearings.

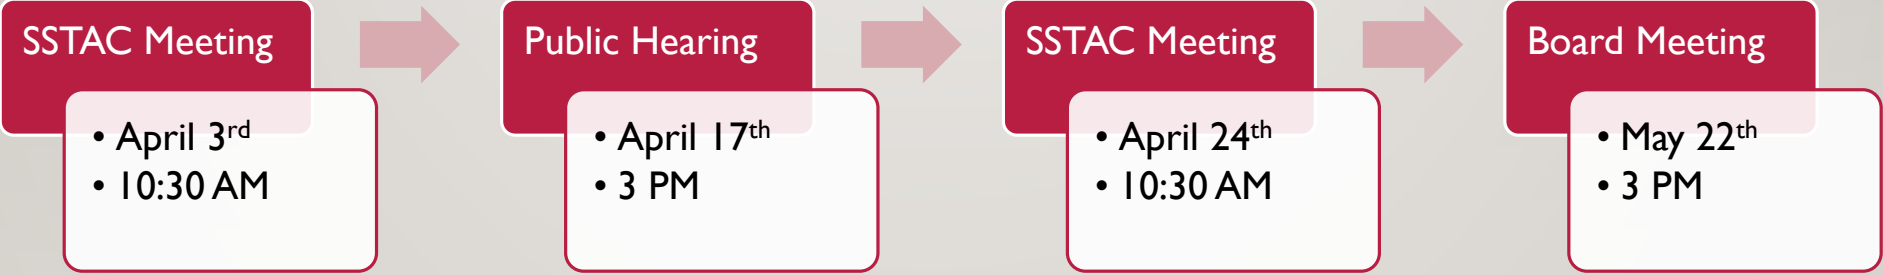

SOCIAL SERVICE TRANSPORTATION ADVISORY COUNCIL - ROLE

- To forward a recommendation to the MCTC Policy Board regarding transit need and issues

SOCIAL SERVICE TRANSPORTATION ADVISORY COUNCIL - RESPONSIBILITIES

- Annually participate in the identification of transit needs in Madera County, including unmet transit needs that may exist within Madera County and that may be reasonable to meet by establishing or contracting for new public transportation or specialized transportation services or by expanding existing services.
- Annually review and recommend action by MCTC Policy Board for the area within Madera County which finds by resolution, that (A) there are no unmet transit needs, (B) there are no unmet transit needs that are reasonable to meet, or (C) there are unmet transit needs, including needs that are reasonable to meet.
- Advise the MCTC on any other major transit issues, including the coordination and consolidation of specialized transportation services.
