**Subject: Submittal of Final 2008 Ozone Conformity Analysis for 2013 Federal Transportation Improvement Program, as amended and 2011 Regional Transportation Plan.**

Federal Partners:

Enclosed for your review and approval is the Final 2008 Ozone Conformity Analysis for 2013 Federal Transportation Improvement Program, as amended and 2011 Regional Transportation Plan. The final adopted documents meet all applicable transportation planning requirements per 23 CFR Part 450 and 40 CFR Part 93.

A 30-day public review and interagency consultation period was completed on March 29, 2013. A public hearing was held on April 17, 2013. The final document has been updated to address public comments received. The public participation process is consistent with Madera County Transportation Commission's (MCTC) board adopted public participation plan. On May 22, 2013, the MCTC Board of Directors approved the Final 2008 Ozone Conformity Analysis for 2013 Federal Transportation Improvement Program, as amended and 2011 Regional Transportation Plan. Federal approval is requested by July 20, 2013 to avoid a valley-wide conformity lapse.
