IV. TRANSPORTATION ACTION/DISCUSSION ITEMS

A. PUBLIC HEARING: 2017-18 Unmet Transit Needs

Summary: This time is reserved for public comments related to "Unmet Transit Needs" within Madera County.

Under the California Transportation Development Act (TDA), this hearing is held annually to take testimony on potential unmet transit needs within the region. Subsequent to the hearing, the Commission must determine which transit requests are unmet needs and if so, whether or not they are reasonable to meet. After all "reasonable" needs have been met through the expansion of existing services, or the creation of new transit systems, the Commission may release remaining TDA funds for street and road purposes (repair, reconstruction, etc.)

The public, interested agencies, and civic groups are encouraged to appear and indicate any transportation needs that they feel are not being met by existing transit services. Testimony should be as specific as possible with regard to those citizens not currently served by transit, the requested type and amount of transit service, the geographic area in which service is needed, and any other supporting evidence of information that will help in the evaluation of the "reasonableness" of the requested service.

The Social Services Transportation Advisory Council (SSTAC) will meet on April 26, 2017 to review the testimony from this hearing and will make their recommendation along with MCTC staff at the Commission's next Board meeting on May 17, 2017. At that time the MCTC Policy Board must determine that public transportation needs within Madera County will be reasonably met in FY 2017/18 prior to approving claims of Local Transportation Funds for streets and roads purposes. (Davies)

Action: Receive Public Testimony. Direction may be provided.

B. PUBLIC HEARING: 2015 Federal Transportation Improvement Program – Resolution 2016-12 Amendment No. 2

Summary:

NOTICE OF PUBLIC HEARING ON THE DRAFT AMENDMENT #2 TO THE 2017 FEDERAL TRANSPORTATION IMPROVEMENT PROGRAM

NOTICE IS HEREBY GIVEN that the Madera County Transportation Commission (MCTC) will hold a public hearing on April 19, 2017, at 3:00 p.m. at the MCTC Board Room at 2001 Howard Road, Suite 201, Madera, CA 93637 regarding the Draft Amendment #2 to the 2017 Federal Transportation Improvement Program. The purpose of the hearing is to receive public comments.

- The 2017 FTIP is a listing of capital improvement and operational expenditures utilizing federal and state monies for transportation projects in Madera County during the next four years that are eligible

to proceed without a conformity determination.

- The Draft Amendment #2 to the 2017 FTIP is a Type 3 amendment that contains project phases and/or projects that have been determined to be exempt from the requirement that a conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. Because the projects are exempt, no further conformity determination is required.

A concurrent 7-day public review and comment period will commence on April 5, 2017 and conclude April 12, 2017 at 3:00 p.m. The draft documents are available for review at the MCTC office, located at 2001 Howard Road, Suite 201, Madera, CA 93637 and on the MCTC website at www.maderactc.org.

Public comments are welcomed at the hearing, or may be submitted in writing by 3:00 p.m. on April 12, 2017 to Jeff Findley at the address below.

This public notice of public involvement activities and time established for public review and comments on the FTIP development process will satisfy the FTA's Program of Projects requirements.

After considering the comments, the documents will be considered for adoption, by resolution, by the Madera County Transportation Commission at a regularly scheduled meeting to be held on April 19, 2017. The documents will then be submitted to state and federal agencies for approval.

VI. ADMINISTRATIVE CONSENT ITEMS

Action: Approve Executive Minutes of March 22, 2017

B. Proposed FY 2017-18 Member Assessment Fees

Summary: Madera County’s participation in the Valley Voice program is crucial to the Valley effort as it not only allows Madera a seat at the table but also allows Madera to be seen and heard; especially recognizing that Madera is a self-help county allowing leveraging opportunities. The Valley Voice effort has been successful and Madera County has benefited from its establishment. If the Policy Board wishes not to participate, the disadvantage would be that Madera would not be visible and perhaps lose a seat at the table with the other Valley Counties. Unfortunately, there are no MCTC Federal or State funding sources that can be utilized for lobbying activities.

In order to actively participate in the Valley Voice programs, staff recommends continuing Member Assessment Fees in the 2017-18 Budget process on a per capita basis in the amount of \$20,000.

Included in your package is a copy of the proposed 2017-18 Member Assessment Fees Schedule that identifies the proportional amount that each member agency would be requested to pay should there be MCTC Policy Board Support for the Valley Voice effort.

Proposed Member Assessment Fee Schedule

2017-18 Member Assessment Fee (Valley Voice)

Member	DOF (E-1) Population 05/01/16	Percent	Proportional Amount
Chowchilla	12,415	7.99%	\$ 1,598
Madera	65,474	42.15%	\$ 8,430
County	77,460	49.86%	\$ 9,972
	155,349	100.00%	\$20,000

(McNeil)

Action: Approve proposed 2017-18 Member Assessment Fees Schedule and direct staff to contact the local jurisdictions to incorporate the fee in its respective jurisdiction budget process.
