Attention: Peter Kang

**Subject: Submittal of the Madera County Amendment No. 16 (Type 3 – Formal) to the 2023 Federal Transportation Improvement Program**

Enclosed for your approval is Amendment No. 16 (Type 3 – Formal) to the 2023 Federal Transportation Improvement Program (FTIP). The Executive Director of the Madera County Transportation Commission (MCTC) as authorized by the Policy Board hereby approves Amendment No. 16 to the 2023 FTIP. State and Federal approval is required.

Documentation associated with this amendment is provided as indicated below:

- Project List: Attachment 1 includes a summary of programming changes that result from Amendment No. 16 to the 2023 FTIP. The projects and/or project phases are consistent with the 2022 Regional Transportation Plan (RTP). The attachment also includes the CTIPs printouts for the project changes to the 2023 FTIP via Amendment No. 16.
- Updated Financial Plan: Attachment 2. The Financial Plan from the 2023 FTIP has been updated to include the project list as provided in Attachment 1. Additionally, the 2023 FTIP Formal Amendment No. 16 addresses the following changes:
  - Updates the 2024 SHOPP Grouped Project Listing.
  - Adjusts funding from PE to ROW and Fiscal Year for the Community Project Funded Congressional Directed Spending Program Funds from the Consolidated Appropriations Act, 2023(Public Law 117-328) Division L, Title I, Highway Infrastructure Programs, per the County of Madera request.

The financial plan confirms that, with this amendment, the 2023 FTIP remains financially constrained.

- Public Involvement: Attachment 3 includes the Public Notice.
- Conformity Requirements: The proposed project changes have been determined to be exempt from the requirement that a conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. Because the projects are exempt, no further conformity determination is required.

In addition, the projects and/or project phases contained in Amendment No. 16 do not interfere with the timely implementation of any approved Transportation Control Measures (TCMs).

A 7-day public review and interagency consultation period was completed on May 9, 2024. The public participation process for Amendment No. 16 to the 2023 FTIP is consistent with the MCTC Board adopted Public Participation Plan.

An electronic copy of the four-year financial plan will be sent via email. Amendment No. 16 to the 2023 FTIP is also available on the [MCTC Website](#) and the California Transportation Improvement Program System (CTIPS).

If you have any questions regarding this document, please contact Jeff Findley at [jeff@maderactc.org](mailto:jeff@maderactc.org).

Sincerely,

Patricia Taylor, Executive Director  
Madera County Transportation Commission

## Federal Transportation Improvement Program (FTIP) and Air Quality Planning

The Federal Transportation Improvement Program (FTIP) is a comprehensive, four-year transportation spending plan for the region that lists every transportation project that will receive federal funds or that is subject to a federally required action, such as a review and approval of environmental documents. The projects in the FTIP are developed and updated by MCTC through its member agencies and in cooperation with State and Federal agencies and the eight San Joaquin Valley counties.
